4 New Features:

4.1 CYBER ASD System Scope

The following changes will be implemented in CYBER related to the ASD Benefits:

- The system must provide the ability for a CMO to request CSA33 service code through the plan of care.
- The system must not auto route any CMO plan of care that has a request for service code CSA33.
- The authorizations created by the CSA for CSA33 service code must be pre-populated with certain information.
- Youth with an ASD diagnosis, identified MCO eligible Medicaid #'s must receive ABA services through The Medicaid Managed Care Organizations (MCO).
- Beginning 04/01/2020 12 AM the system will prohibit the user from submitting treatment plan to CSA when ABA services are present in the treatment plan for youth with MCO eligible Medicaid #.
- The system will not warn for ABA service authorizations on or before 03/31/2020.
- Beginning 04/01/2020 12 AM the system will warn/allow the user when CSA authorizes ABA services or approves treatment plans with ABA services for youth with MCO eligible Medicaid #.
- The system will no longer determine youth eligible for the ASD Waiver.

4.2 Assumptions

The following are the assumptions related to this release:
